They came out in their numbers—families, airport staff and partners, uniformed groups, amateur and professional runners— all in good fun and for a very worthy cause – The KPH CANCER UNIT. A little over \$2M was raised from the 10th renewal of the NMIA PALISADOES CHARITY 5K WALK/RUN. Proceeds from sponsorship, kind donations and race fees and will go towards the acquisition of a major piece of equipment for the CANCER UNIT. Official announcements will be made soon. * Special NMIA KUDOS to a group of NMIA Contractors (Canute Hudson, George Telfer, Ian Marshall, James Taylor, Mark Ryan, Marlon Burgher, Michael Arbouine, Michael Manhertz, Peter Connell, Ralston McNish, Whitley Gooden) that have supported the 5K Charity Run over the years by pooling their funds to purchase and donate cases of water to hydrate the race participants.

Providing World Class Airports
DISTINCTLY JAMAICAN

AIRLINE ANNOUNCEMENTS

BRITISH AIRWAYS

British Airways (BA) and Jamaica have had a long courting period. With a new addition to the BA family, we were able to see how the union has flourished.

As of March 30, British Airways will add another straight flight from London to Kingston. This highlights the increase of passengers between the two capitals.

"There is a demand for more seats to be available for Kingston, Jamaica," explained Ash Van Wensveen, commercial manager, British Airways Holidays. He also said that British Airways Holidays is working to make KINGSTON more of a leisure gateway.

The airline is also trying to solicit additional holidays in KINGSTON to be part of British Airways Holidays' package, which will allow vacationers to not only book flights, but also make their hotel reservations through the airline's web-site.
