MASCOT NAME

**WATCH THIS SPACE FOR REGULAR AIRPORT SAFETY
MESSAGES, TIPS, PICS, VIDEO LINKS AND NEWS.**

NMIAL launched the **Safety Management System Implementation Plan** and outlined its framework on safety activities including a teaser of an eye-catching safety mascot. NMIAL is dedicating resources in a spirit of candor and creativity to achieve awareness and a safe working environment by launching the **NAME THE SAFETY MASCOT** competition.

The SAFETY MASCOT aims to promote awareness amongst the airport community (ie stakeholders ,employees, labour union and general users of the facility) and enhance measures for safety and health from an airport-wide perspective. The Safety Mascot will embody the Airport Safety Mission and assist in conveying safety messages on how to:

- Prevent and reduce work accidents, equipment and environmental accidents, and airport operations incidents/accidents
 - * Strengthen and promote measures to deal with incident contributory factors, their possible causes and create a positive safety culture
 - * Make the SMS programme (targets and measures for employee safety by the end of 2017) an integral part of the airport workplace, building systems and promote participation
 - * Highlight and reinforce safe workplace behaviour in a fun, interactive and memorable way.

WHAT SHALL WE NAME THE MASCOT ? The Competition is open to the entire airport community.

GET INVOLVED. SAFETY IS EVERYBODY'S BUSINESS.
