Dear Prospective Applicant:

Re: Request for Application to Prequalify for Procurement of Civil Works for Shoreline Protection - Runway 30 End, Norman Manley International Airport

1. The Airports Authority of Jamaica (AAJ) has committed funds to undertake the Construction of Civil Works for Shoreline Protection, Norman Manley International Airport for which this Prequalification Document is issued.
2. The AAJ now invites Civil Engineering Contractors to submit applications to be prequalified to bid for the works of Shoreline Protection - Runway 30 End at the Norman Manley International Airport.
3. The Prequalification is an international competitive bidding process.
4. The Prequalification includes the following documents:

Part 1 - Prequalification Procedures:

Section 1 - Instructions to Applicants (ITA)

Section 2 - Prequalification Data Sheet (PDS)

Section 3 - Qualification Criteria and Requirements

Section 4 - Application Forms

Part 2 - Works Requirements:

Section 5 - Scope of Works

5. Please inform us in writing at the address in the Data Sheet:
 - (a) that you have downloaded or collected prequalification Application document; and
 - (b) whether you will submit an application alone or in association with another party.

Yours sincerely,

Horace A. Bryson
Snr. Director - Engineering, Maintenance & Projects
